

EyEnvy® Volume Fiber Mascara

EYENVY® VOLUME FIBER MASCARA

WHY CHOOSE?

Get the appearance of longer and fuller lashes with EyEnvy® Volume Fiber Mascara. The added fibers and enriched allantoin formula will help thicken and lengthen the lashes in just one stroke. Its tapered brush helps coat and separate each individual lash while providing intense volumized lashes. The key to a full dramatic look lies within the formula, which specifically works to help create gorgeous, flirty and defined lashes. Water-resistant. Ophthalmologically tested.
